

Mack Dryden

When groups want a *message* with their *merriment*, Mack is the motivational humorist speaker they call. Creating hilarious custom humor for each client comes naturally to the former staff writer for *Politically Incorrect* with Bill Maher, who performed on *The Tonight Show* with both the late Johnny Carson as well as with Jay Leno. In his most popular keynote, "*Laugh to the Top: A Hilarious Guide to Achieving Your Goals*," his stories of surviving *two* battles with cancer, a stay in an African prison, one "near-fatal marriage," and "the sharks in showbiz who stab you in the *front*" are as inspiring as they are laugh-out-loud funny. He's also a

pro Emcee who can turn a dull awards show or general session into a memorable event.
